

(Short Resume)

Dr. K. GILBERT ROSS REX

Contact: Phone: 9944490993 | Email id: gilbertrossrex@gmail.com,
gilbert@sethu.ac.in

PROFILE SUMMARY

Associate professor with 8 years 6 months of experience successfully contributing to Biotechnology curriculum development and delivery. To build a career in biotechnology by applying strong research, product development, and analytical skills to contribute to innovative, sustainable, and industry-relevant lifescience solutions.

EDUCATIONAL QUALIFICATION

Ph.D Biotechnology (Full time)

Karunya University (June 2019)

Thesis Title: Development of Bacterial formulation using banana peel as carrier and evaluation of its plant growth promotion in rice.

M. Tech Biotechnology

Karunya University (June 2012)

Project: "Cloning of GPCR119"

CGPA: 71

SKILLS

-
- Research Guidance (39 UG and 3 PG students completed)
 - Class Instruction
 - Smart Class Room
 - Distance Learning Tools
 - Lesson Plan Creation
 - MS Office

EXPERIENCE

Associate Professor | Vivekananda College of Engineering for Women (Autonomous)

(June 2019- Current)

- **Theory Subjects Handled:** Principles of Genetic Engineering, Molecular Biology, Clinical Trial Management, Food processing and preservation Technology, Plant & Animal Biotechnology, Professional Ethics, Marine Biotechnology, Biology for Engineers
- **Lab Handled:** Genetic Engineering & Molecular Biology, Plant and Animal Biotechnology

Assistant Professor | Selvam College of Technology (Autonomous)

(Dec 2017- May 2019)

- **Theory Subjects Handled:** Plant Biotechnology, Instrumental method of analysis, Bioprocess, Cell Biology, Bioprocess, Animal Biotechnology
- **Lab Handled:** Cell Biology, Molecular Biology, Instrumental method of analysis

PATENTS

- Grant:2
- Filed:3 (One more under process)

ACCOMPLISHMENTS

- Successfully completed funded projects: 3
- Ongoing project: 1 (Funding from MSME for Rs 10 lakh)
- Completed NPTEL course: 6

RESEARCH PROFILE

- Number of papers published in reputed Journals:27
- Book chapter: 3
- Paper presentation in conferences: 32
- Reviewer in Journal of Environmental Biology
- Resource person in guest lecture: 2

REFERENCE

Reference will be provided upon request.

Detailed Resume

Name: **Dr. K. Gilbert Ross Rex**

Address: 68/2, A, Pandian nagar 5th street,
Kariapatti,
Virudhunagar- 626106,
Tamil Nadu, India

Email ID:gilbertrossrex@gmail.com / gilbert@sethu.ac.in

Phone no: +91 9944490993

CAREER OBJECTIVE:

To utilize my teaching and research skills towards a challenging career in a growth oriented and leading edge that will provide mutual benefits and where from I can utilize my capabilities to the fullest benefits for the organization, students and society.

EDUCATIONAL QUALIFICATION:

Course/ Qualification	Year of Study	Institution	Percentage Marks
Ph.D (Full Time) (Biotechnology)	2019	Karunya University, Coimbatore	Completed
M. Tech Biotechnology	2012	Karunya University, Coimbatore	71%
B. Tech Biotechnology	2010	Karunya University, Coimbatore	63%
Higher Secondary	2006	Scott Christian Higher Secondary School, Nagercoil	69%
S.S.L.C	2004	Scott Christian Higher Secondary School, Nagercoil	86%

CAMBRIDGE ENGLISH – Business Vantage

Awarded Council of Europe Level B1 (Reference no: 123IN0014202)

Ph.D title

Development of Bacterial formulation using banana peel as carrier and evaluation of its plant growth promotion in rice.

RESEARCH EXPERIENCE

Designation	Name of Institution	From	To	Total Experience
Research Scholar (Full Time)	Karunya University, Coimbatore	2013	2017	5

CURRENT POSITION AND WORK EXPERIENCE:

Designation	Name of Institution	From Date	To date	Total Experience
Associate Professor	Sethu Institute of Technology (Autonomous) (NAAC A++ Accredited)	5-6-2026	Till date	2 months
Associate Professor	Vivekanandha College of Engineering for Woman (Autonomous) (NAAC A++ Accredited)	27-2-2023	03-6-2026	3 years 3 months
Assistant Professor	Vivekanandha College of Engineering for Woman (Autonomous) (NAAC A++ Accredited)	3-6-2019	26-2-2023	3 years 8 months
Assistant Professor	Selvam College of Technology (NAAC A Accredited)	4-12-2017	13-5-2019	1 year 5 months
Total work experience				8 years 6 months

- Collaborated with colleagues on curriculum revision, evaluation of course syllabi and lesson plans for Biotechnology R2019 & R2023 curriculum.
- Mentored students and communicated internship and employment opportunities.
- Handled classroom administration.
- Proctored exams and provided remediation for learning improvement goals.
- Applied innovative teaching methods to encourage student learning objectives.

AREA OF SPECIALIZATION / INTEREST

- Agriculture Biotechnology
- Molecular Biology
- Genetic Engineering
- Plant Biotechnology
- Animal Biotechnology
- Microbiology
- Soil science
- Biofertilizer production
- Environmental Biotechnology
- Bioprocess

TEACHING SKILLS

- Demonstrated sound work ethics, Able to inspire, comfort, build self-esteem
- Knowledge of developmental theory and corresponding practice of education
- Self-motivation, initiative with a high level of energy
- Excellent communication skill
- Learning NPTEL courses “Precision Agriculture”
- Video Based Lecturing (NPTEL)
- Encouraging Students to attend scientific conferences and Competitive Exams.

Theory subjects handled	Laboratory
Plant Biotechnology	Plant Tissue Culture laboratory
Plant and livestock Biotechnology	Plant and Animal Biotechnology
Cell Biology	Genetic Engineering
Molecular Biology	Cell Biology and Molecular Biology
Clinical Trial Management	Genetic Engineering & Molecular Biology
Genetic Engineering	Instrumental method of analysis

Professional Ethics	
Food processing and preservation Technology	
Principles of food processing	
Animal Biotechnology	
Plant & Animal Biotechnology	
Entrepreneurship	
Principles of Genetic Engineering	
Instrumental method of analysis	
Marine Biotechnology	
Bioprocess	

RESULT ACHIEVEMENT

Produced **100% result** in theory subjects

- Genetic engineering
- Professional Ethics
- Molecular Biology
- Plant & Animal Biotechnology

OTHER RESPONSIBILITIES

- Department of Biotechnology Criteria VI in charge (**NAAC**)
- Department of Biotechnology Criteria V in charge (**NBA**)
- Department of Biotechnology **ISO** coordinator
- Biotechnology Department coordinator for Genov – **club activities**
- Incharge for **Mushroom farm** in the Department of Biotechnology, Vivekanandha College of Engineering for women.

ACADAMIC TRAINING AND ACHIEVEMENTS

1. Completed **NPTEL course** on “Environmental Biotechnology”
2. Completed **NPTEL course** on “Speaking Effectively”
3. Completed **NPTEL course** on “Plant Developmental Biology”
4. Completed **NPTEL course** on “Tissue Engineering”
5. Completed **NPTEL course** on “Animal Biotechnology”
6. Completed **NPTEL course** on “Precision Agriculture”

Have attended FDP and presented papers in various Conferences.

Title of the Event	Date	Place	Title of Paper/Poster Presented
Medicinal and Aromatic Plants for Public Health	Sep 18,19 (2008)	Karunya University, Coimbatore	Probiotic In Medicinal Field.
National Level Technical Symposium On Biotechnology, Evogen 09	March 30,31 (2009)	Karunya University, Coimbatore (2nd Prize in oral presentation)	Recent Trend In Treatment of Colon Cancer.
Role of Radioprotectors in Experimental Medicine	April 2,3 (2009)	Karunya University, Coimbatore	Probiotics In Cancer Treatment.
Workshop on proteomics techniques	Dec 15 (2012)	Karunya University, Coimbatore	
Advances in plant pathology	Mar 27,28 (2013)	University of Madras Chennai	
New opportunities and challenges in microbial research	Sep 5,6 (2013)	Bharathidasan university Tiruchirappalli	Determination of plant growth promotion and soil aggregating property of bacteria isolated from forest soils of siruvani hills.
Advances in science and technology	Sep 12,13 (2014)	PSG college of arts and science Coimbatore (2nd Prize in oral presentation)	Screening and molecular characterization of bacteria isolated from pristine soils for exopolysaccharide production and its soil aggregating efficacy.
Recent advances in industrial Biotechnological skills development	Mar 30,31 (2015)	Thiagarajar college Madurai	Effect of enriched organic carrier based bacterial formulation
Converging Biotechnological Innovations for Health, Food, and Environmental Welfare	Dec 2 nd to 4 th (2015)	Karunya University, Coimbatore	Development of PGPR based Bioformulation using fruit peel, organic carrier for growth and yield enhancement in rice

Techniques in biofertilizer production, maintenance and application	Sep 21,22,23 (2016)	Institute of Forest Genetics and Tree Breeding, Coimbatore.	
Recent advances in plant science	Mar 9,10 (2017)	Bharathidasan University, Tiruchirappalli	
Biotechnology 2 Entrepreneur	Sep 9 (2017)	Selvam college of technology, Namakkal. (1st Prize in oral presentation)	The development of bacterial bioformulation using banana peel as a carrier and evaluation of its plant growth promotion in rice
Faculty Development Program“TTT-Teaching to Transform”	Dec 11,12 (2017)	Selvam college of Technology, Namakkal.	
National workshop on “Spirulina- Mass Cultivation and its Recent Advancements” (NWSMCRA-2018)	Sep 27 (2018)	Selvam Arts & Science College, Namakkal.	
National Level Technical Symposium “EVOGEN 2K18”	4 th and 5 th Oct (2018)	Karunya University, Coimbatore	Probiotics in Medical Field
Workshop on “Animal cell culture Techniques”	20 th Nov (2018)	Selvam college of Technology, Namakkal.	
Faculty Development Program“Teaching and mentoring strategies with effective communication”	Dec 9 to 11 (2018)	Selvam college of Technology, Namakkal.	
National conference on “Unearth the new frontiers in life sciences”(NCUFS-19)	Feb 11 (2019)	Sri Krishna Arts and Science College	Oil cakes in the field of Agriculture Biotechnology
National conference on “Prospects of Algae in food Health, Environment and Energy”	Mar 7,8 (2019)	Karunya University, Coimbatore	Comparative study of <i>Arachis hypogaea</i> and <i>Sesame</i> on soil health management
Faculty Development Program on “Recent advances in pollution control and mitigation measures”	June 17 to 21 (2019)	Vel Tech High Tech	
Faculty Development Program on “GURU SRISHTI- Faculty transformation and effective communication skill”	July 19,20 (2019)	Vivekanandha College of Engineering For Women	

Awareness programme on NAAC Accreditation and Documentation	Sep 19 (2019)	Vivekanandha College of Engineering For Women	
National conference on “Biopharmaceuticals: concept to commercialisation”	Sep 27 (2019)	PSG College of Arts & Science	Control of root knot nematodes in <i>Musa acuminata</i> and <i>Musa balbisiana</i> on impact of agriculture using leaves extract
Faculty Development Program on ”National Development Program in Entrepreneurship”	Dec 2-14 (2019)	Vivekanandha College of Engineering For Women	
Webinar on “Forest & Biological Diversity: Too Precious to Lose”	May 22 (2020)	Kalinga university	
Webinar on “Crop Improvement: Future Perspectives”	May 29 (2020)	Vivekanandha College of Engineering For Women	
Webinar on “How to keep students engaged through Effective Online Classes”	July 11 (2020)	Vivekanandha College of Engineering For Women	
Webinar on “NAAC revised assessment methodologies and quality enhancement strategies”	Dec 5 (2020)	Vivekanandha college of arts and sciences for women	
Webinar on “The world of genomics:the way forward”	Mar6 (2021)	Vivekanandha college of arts and sciences for women	
Webinar on ‘Relevance of the shelf life extension program’	April 4, (2021)	Society of Pharmaceutical Sciences and Research	
One Week Online FDP on “Essential Skills and Technologies for Quality Research”	30-03-2021 to 03-04-2021	P. E. S. College of Engineering, Mandya, Karnataka	
Webinar on “Designing a Robust and Transparent Educational Process using Global Education Standard”	May 26 (2021)	Vinayaka Mission’s Research Foundation	
webinar on “Effective communication for organization’s excellence”	June 11 (2021)	Arasu Engineering College, Kumbakonam	

Webinar on “Evolution of Science from Macro to Micro”	June 23 (2021)	SRM Institute of Science & Technology, Chennai	
Webinar on “Bioenergy and its Global Sustainability”	July 15,16 (2021)	Bharat Institute of Higher Education & Research	
Webinar on “Glimpses of Marine Ethnopharmacology”	Sep 3 (2021)	Sathyabama Institute of Science and Technology, Chennai	
Webinar on “Impact of National Educational Policy -2020 on Women Education”	Sep 19 (2021)	Vivekanandha College of Engineering For Women	
Faculty Development Program on “Application of Omics Technologies in life science research”	Oct 21-26 (2021)	PSG college of Arts & Science	
Webinar on “Current Scenario in Agricultural and Food Biotechnology”	Jan 18-19 (2022)	PSG college of Arts & Science	
Faculty Development program on “IPR”	Feb 22-24 (2022)	Entrepreneurship Development Institute, Chennai	
One Day International Webinar on “Emerging Green Nanomaterials and their Applications in Food and Agriculture”	Mar 10 (2022)	VSB Engineering college	
Workshop on “High performance liquid chromatography and gas chromatography”	Jun 3-4 (2022)	Vivekanandha College of Engineering For Women	
Seminar on “Molecular perspective SARS-CoV-2, drug target, drug designing and research”	Sep 22 (2022)	Paavai Engineering College	
One Day International Webinar on “Multidisciplinary Approaches in Biotechnology”	Oct 15 (2022)	Vivekanandha College of Engineering For Women	
One day National Technical Symposium “GNAN MAJESTIC QUEST 2K22”	Nov 18 (2022)	Gnanamani College of Technology (3rd Prize in oral presentation)	Recent trends in diabetes treatment using nanotechnology

One day National Technical Symposium “SONA CIENCIA 2023”	Feb 28 (2023)	Sona college of Arts and Science (1st Prize in oral presentation)	Cultured meat using Tissue engineering
One day National Conference on Retrospect Of Biological Science and Technology (NCRBS-2023)	Apr 3 (2023)	SRM University	Design of CAR-T cell therapy against multiple myeloma
Popular Lecture Series (KVCET)	Apr 12-13 (2023)	Karpaga Vinayaga College of Engineering and Technology (1st Prize in oral presentation)	Cord Blood Bank
Two days National level Technical Symposium “TECHFINIX’23”	Oct 19-20 (2023)	Paavai Engineering College (Autonomous) (3rd Prize in Paper presentation)	Glimepiride Loaded Sodium Alginate Nanoparticles for the Treatment of Diabetes mellitus By Sustained drug release Technology
AICTE ATAL Faculty Development Program on “Design Thinking on sustainable development goals”	Nov 27 to Dec 2 (2023)	Vivekanandha College of Engineering For Women	
National Conference On Advancements In Sustainable Smart Engineering And Technology (ASSET-2024)	Mar 14 (2024)	Vel Tech High Tech	Effect of Gibberellin on <i>In vitro</i> and <i>In vivo</i> germination of F1 hybrid of calutta 4 X Ney Poovan tertaploid banana seeds
National level Technical Symposium “11 th National level technical symposium 2K24”	Oct 18 (2024)	Salem College of Engineering and Technology (Ist Prize in Paper presentation)	Valorization Of Fish Waste And <i>Prosopis Juliflora</i> For The Production Of Biodegradable Food Packaging: A Comprehensive Study On Material Properties and Environmental Impact
ATAL Faculty Development program titled “Design Thinking approach and Innovative Practices in Biomedical Additive Manufacturing”	Dec 25/11/24 to 30/11/2024	Vivekanandha College of Engineering For Women	

ATAL Faculty Development program titled“Revolutionizing Healthcare and Biotechnology: The Role of AI and Computational Techniques”	03/02/2025 to 08/02/2025	Sethu Institute Of Technology	
National conference:Biomind-2025”Artificial Intelligence Transforming Life Sciences”	23-7-25 to 24-7-25	The Oxford College of Science, Bengaluru (3rd Prize in Paper presentation)	AI smart feeding for sustainable fish farming
RIT BIONOVA-A-THON 2025	03-9-25	Rajalakshmi Institute of Technology (1st Prize)	Eco-Friendly Housefly Herbal Vaporizer for Pest Management in Poultry Industry
National conference (Biotech B2B-25)	25-9-25 to 26-9-25	Sathyabama University (2nd Prize in oral presentation)	<i>Invitro & invivo</i> study of glimepiride loaded sodium alginate nanoparticles for the treatment of diabetes mellitus by sustained drug release
FDP on Capacity Building programme on STEM Education	02-3-26 to 10-3-26	IIT Madras	Emerging trends in life sciences & Biology
National Conference (BIOE3)	05-8-26 to 06-8-26	PSGR Krishnammal College for Women	Invitro & invivo germination of novel F1 hybrid banana

MEMBERSHIP IN PROFESSIONAL BODIES

- A life time member in the Indian Society for Technical Education(LM 129806)
- A life time member in the Biotech Research Society of India (LM 2574)

SEMINARS & WORKSHOPS ORGANIZED

- Contributed as an Organizing committee member for “**4th International Conference on Innovation in Biotechnology, Civil and Mechanical Sciences (ICBCMS)**” conducted by Selvam College of Technology (March, 16 &17, 2018).

- Contributed as an Organizing committee member for DBT Sponsored Popular Lecture Series and National Conference on “**Biochemical, Renewable Energy and Sustainable energy (BIOCRUST-2019)**” conducted by the Department of Biotechnology, Selvam College of Technology (06th -08th February 2019).
- Contributed as an Organizing committee member for “**Multidisciplinary Approaches in Biotechnology**” conducted by the Department of Biotechnology, Vivekanandha College of Engineering for Women (15th Oct 2022).
- Contributed as an Organizing committee member for “ **National level technical symposium – ZENOMEX 2K23**” conducted by the Department of Biotechnology, Vivekanandha College of Engineering for Women (09th Mar 2023).
- Contributed as an Organizing committee member for second “**Multidisciplinary Approaches in Biotechnology**” conducted by the Department of Biotechnology, Vivekanandha College of Engineering for Women (24th Nov 2023)

PRODUCT INNOVATION

- Development of Calcium Fortified Biofertilizer (**Calci Plus**)
- Development of Herbal Housefly Vaporizer (**Flygo**)

BOOK CHAPTER PUBLISHED

- **K. Gilbert Ross Rex, B. Vijayambika, M. Vijay Pradhap Singh (2025)** (Chapter15)“Phycocyanin—Technical Aspects and Current Prospects” (**Springer publication**)
- **K. Gilbert Ross Rex, (2025)** (Chapter 5)“Sample Collection, Processing, and Storage in Medicinal Laboratories” Fundamentals of Medical Laboratory Technology (Book name) ISBN No.- 978-93-48240-42-2
- Dipti Nair, Steffi Avarave, **Gilbert Ross Rex. K**, David Paul Raj R. S. **(2016)**“Millets: Processing, Potential nutrient quality and Health benefits – A Review”. Sustainable technologies in health care and environment. (ISBN: 9788190387101)

PATENT GRANT

1. An Indian patent has been granted for the invention title “Dried banana peel powder as an organic carrier in bioformulation for biocontrol of *Pythium* sp” Patent No: 202041010982 dated on **15.03.2024**

2. An Indian patent has been granted for the invention title “wearable device for continues monitoring of estrogen level through sweat” Patent No: 423347-001, dated on **05.09.2024**

PATENT FILING

1. An Indian patent has been granted for the invention title “Acidochromic and fluorescent response of calotropis procera latex: A natural indicator for mineral acid detection” Patent Application No: 202541017660A on **21.03.2025**
2. An Indian patent has been filed for the invention title “Plastic molding machine” Patent Application No: 361837-004, dated on **04.04.2022**
3. An Indian patent has been filed for the invention title “Formulation of wound healing plaster” Patent Application No: 202241011227 A, dated on **18.03.2022**
4. An Indian patent filing for the invention title “A composition and method for the preparation of a plant derived regenerative formulation for the treatment of acne scars ” (**Under process**)

NUCLEOTIDE SEQUENCE SUBMISSION AT NCBI, GENBANK,

U.S.A

- *Bacillus cereus* KUFS 18.1 Accession: KU884469
- *Lysinibacillus fusiformis* KUAG 1.4 Accession: MF497413
- *Bacillus asahii* KUFS 1.1 Accession: KU884468

GUEST LECTURE

1)“**Mushroom Cultivation For An Entrepreneur**” (2023) in Biotechnology Department of Muthayammal Engineering College, Namakkal

2)“**Clinical trial management in drug development**”(2024) in Biotechnology Department of Muthayammal Engineering College, Namakkal

SCIENTIFIC RESEARCH

- Have guided **39 B.Tech and 3 M.Tech students** in final year research projects.

JOURNAL REVIEWER

- Have reviewed research papers for Journal of Environmental Biology. (year 2024, 2025, 2026)

EXTERNAL EXAMINER

- Appointed as External Examiner to conduct the Practical Examinations January-2022 in the Department of Biotechnology, **Vinayaka Missions Kirupananda Variyar Engineering College**, Salem-308 for the subjects 1. Genetic engineering laboratory 2. Microbiology laboratory.
- Appointed as External Examiner to conduct the Practical Examinations June-2022 in the Department of Pharmaceutical Technology, **Paavai Engineering College**, Namakkal- 637018 for the subject Immunogenetics Laboratory.
- Appointed as External Examiner to conduct the Practical Examinations April/May-2023 in the Department of Biotechnology, **VSB Engineering College**, Karur- 639111 for the subjects Analytical Instrumentation Laboratory, Bioorganic Chemistry Laboratory
- Appointed as External Examiner to conduct the Practical Examinations April/May-2023 in the Department of Biotechnology, **Muthayammal Engineering College**, Namakkal for the subjects Genetic engineering and molecular biology Laboratory.

QUESTION PAPER SETTING

- Have set question papers Beverage Processing Technology (20FTE07), Protein Technology (20FTE09) for **Excel Engineering College (Autonomous)**.
- Have set question papers Plant Tissue Culture and Transformation Techniques (BT3043), Tissue Engineering (CBT333) for **Selvam College of Technology (Autonomous)**.
- Have set question paper, Emerging Technologies for Food Processing (AI3007) for **The Kavery Engineering College (Autonomous)**.
- Have set question paper, Food Biotechnology (BT23BTE903), Fundamentals of Animal Biotechnology (BT23BTE922) for **KIT - Kalaigarkarunanidhi Institute of Technology (Autonomous)**.

CENTRAL EVALUATION

Appointed as an evaluator for subject answer scripts such as “Principles of Genetic Engineering and Plant Biotechnology” for **Anna University Zone –II**

PROJECT COMPLETED

- Project of the institution, Vivekanandha College of Engineering for Women (Autonomous) titled “Mushroom cultivation and training” grant of **Rs 4 Lakh** received from Tamil Nadu State Council For Science and Technology (**TNSCST**) (**2023**) was handled by me and my colleague under the leadership of HOD / Department of Biotechnology. (**Completed**)
- Received **Rs 10000** under “**Nan Muthalvan Niral Tiruvizha 2024**” Scheme from Tamilnadu state Government titled “Valorization Of Fish Waste And *Prosopis Juliflora* For The Production Of Biodegradable Food Packaging: A Comprehensive Study On Material Properties And Environmental Impact”. Proposal no : NMNT728 (**Completed**)
- Received **Rs 100000** Unnath Bharath Abhiyan under Technology Development project sheme in the title “Poultry Egg Shell Formulation For Plant And Soil Health Management” on 25-08-25 (**Completed**)
- Received **Rs 10 Lakh** under MSME 4.0, Smart India Hackathon titled “Sustainable Bamboo Syringe for a green future” on 15-10-24 (**Ongoing**)

AWARDS AND RECOGNITION

- Received **Best Performer Award 2025** in Vivekanandha College of Engineering for Women.
- Received **Special Appreciation Award 2026** in Vivekanandha College of Engineering for Women.

EXTRACURRICULAR ACTIVITIES:

- **Table Tennis champion** under staff catogary in Vivekanandha College Of Engineering For Women (Autonomous) for the year **2024, 2025, 2026**.
- **Kanyakumari district champion** in Table Tennis for the year 2006.

- Secured **Tamil nadu State Award** Rajya Puraskar for **Scouts and Guides** in the year 2005.
- Participated in **mini Marathon** Conducted by Karunya University in the year of 2012.
